

Cesar Joel Herrera

Marysville, WA | Email: cesarjoelherrera@icloud.com | LinkedIn: www.linkedin.com/in/cesar-j-herrera

GitHub: <https://github.com/Cesar-J-H>

SUMMARY:

Computer Science student focused on full-stack and mobile development. Experienced in building cross-platform applications using React Native, cloud services, and AI APIs. Strong problem solver with 3+ years of leadership experience, bringing clear communication, ownership, and teamwork to technical environments.

EDUCATION

University of Washington Bothell | BS | CS & Software Engineering | GPA: 3.77 | March 2022 – December 2025

PROJECTS

Pathway: Document Management Tool for Early Business Starters | 2025

Tech Stack: React-Native, Google Cloud Functions, Figma, JavaScript, Python, Google Cloud Vision, OpenAI

- Designed and built a full-stack mobile application to help early-stage entrepreneurs organize and track critical business documents.
- Implemented a responsive React Native front end, designing wireframes and UI mockups in Figma to align technical and non-technical stakeholders.
- Integrated Google Cloud Vision, Google Translate, and OpenAI APIs to extract document data and generate reminders for key deadlines and tasks.
- Developed serverless backend functions using Google Cloud Functions to process data and store assets in Firebase

Personal Website (In Progress) | 2025

Tech Stack: React, Vite, Tailwind, JavaScript, GitHub Pages

- Developed a multi-page personal website to showcase projects, experience, and travels.
- Implemented responsive layouts and accessibility-friendly design using modern HTML and CSS practices.
- Managed deployment and version control using GitHub Pages

EXPERIENCE

Assistant Store Manager (FT) | Tommy Bahama

Tulalip, WA | July 2023 - Present

- Led daily operations and a team of associates in a high-volume retail setting.
- Trained staff on POS systems, SOP compliance, and inventory control procedures.
- Coordinated inventory tracking and visual merchandising on a weekly basis.
- Oversaw cash handling, prepared daily deposits, and maintained accurate tills and change orders.

Assistant Manager (FT) | DKNY

Tulalip, WA | February 2020 – June 2023

- Supervised team performance and led sales training for a designer retail brand.
- Assisted with hiring, onboarding, and training to maintain consistent customer satisfaction.
